L. A. Firm 'Bought Better in Torrance'

That even Los Angeles firms are realizing that they can "Buy Better in Torrance," is evidenced by the sale by Schultz, Peckham and Schultz, local dealers of Ford products, of the above pictured delivery truck last week.

The sale was made by Al H. Warwick, popular young member of the Torrance Ford agency, to the Weber Baking Company, whose products are sold by several food stores in this community. Mr. Warwick states that the management of the Weber Baking Company has informed him that this initial purchase is the forerunner of a fleet which it contemplates buying from Schultz, Peckham and Schultz.
